

Questions to Ask an Ecotour Operator

- ✓ How do you handle your waste?
- ✓ How do you conserve water?
- ✓ How do you cut down on energy use?
- ✓ Do you support the local community by using locally produced goods and hiring local employees? If so, please give me some examples.
- ✓ Tell me what you are most proud of with regards to your commitment to the local environment?
- ✓ What do you think you could improve upon?
- ✓ Finally, do you have a written policy that affirms all of the things you have just told me?
