Canadian Wildlife Federation Magazines

The Canadian Wildlife Federation

The Canadian Wildlife Federation is one of Canada's largest non-profit, non-governmental conservation organizations. Wherever you live, you'll find CWF in action. With over 300,000 members and supporters, CWF is dedicated to fostering awareness and enjoyment of our natural world.

We offer a winning combination for marketers looking to communicate with specific consumer groups.

It is our goal to develop relationships with corporations that fulfill their business objectives by supporting the advancement of the Canadian Wildlife Federation's conservation and education programs. Through our magazines, we offer effective ways for helping you meet your objectives. We'll work with you to determine a program best suited for your company.

Keeping Canadians informed...

Canadian Wildlife and its French language counterpart, **Biosphère** Magazine are 100% paid subscriber-driven magazines. They reach Canadians who share a commitment and vision to preserve our wildlife. Recognized as the authority in its field for over 10 years, **Canadian Wildlife** and **Biosphère** are renowned for their exceptional photography, and in-depth features that explore and celebrate **Canadian wildlife** in all its wondrous diversity. From interviews with the scientific community to new initiatives to safeguard wildlife, content is dynamic, thought-provoking and inspiring.
