_____	\$ _____

We acknowledge that if our request for funds is approved, we will provide the Canadian Wildlife Federation with photos and a written description of our completed project. We have permission for our project and will ensure that the project is properly supervised. All funds received will be applied to the project described above. Attached is a signed letter on our school's/organization's letterhead from the teacher(s)/leader(s) supervising this project.

CWF occasionally features outstanding projects in its magazines, newsletters, websites and other promotional materials. I authorize the Canadian Wildlife Federation to use information and photographs provided in future resource publications. Yes No
