

Your Connection to Wildlife

As one of Canada's largest not for profit leaders in wildlife conservation, research, and advocacy, we are seeking to fill the following position...

JOB TITLE: Turtle Field Technician – summer intern, Ottawa Area

DIRECTLY RESPONSIBLE TO: Species at Risk and Biodiversity Specialist

Main Purpose

The turtle field technician will assist with various aspects of a species at risk turtle project in eastern Ontario. The goals of the project are to identify road mortality hotspots, survey wetlands for at-risk turtles, identify and protect nesting sites, incubate turtle eggs, and increase public awareness of turtle conservation issues.

Eligibility:

To be eligible for this position, candidates must be between the ages of 15 and 30. The candidate must provide proof of status as a full-time student in a Wildlife Technician Program, Biological Science, Environmental Sciences or related program and be scheduled to return to full time studies in the next school year.

Key responsibilities

1. Working as part of a team, carry out road mortality and wetland surveys for at-risk turtles;
2. Conduct turtle nesting surveys;
3. Use wildlife reporting systems and spreadsheets to document wildlife occurrences with photos, GPS locations, and relevant information;
4. Assist in the transport and care of turtle eggs as required for artificial incubation
5. Adopt safe work practices (especially with respect to working on or near roads), reporting unsafe conditions immediately and attend all relevant in-services regarding occupational health and safety. Follow all guidelines for employees and employers as legislated under the Ontario Occupational Health and Safety Act.
6. Perform other duties as required.

Experience / Skills / Knowledge

1. Experience working with wildlife species in natural environments including experience in survey techniques.
2. Ability to take accurate field notes
3. Ability to accurately identify turtle species. Ability to identify other wildlife species is an asset.
4. Standard First Aid Certification.
5. Experience navigating in the field using GPS and compass is an asset.
6. A valid Ontario driver's license, with a clear driving record is an asset.
7. Basic GIS skills an asset.

Working Conditions

Must be capable of working in all weather conditions. Work is primarily out of doors. Working hours are primarily Monday to Friday however time of day and hours per day will vary. There will, on occasion, be evening and weekend work.

Location:

Head office located in Kanata, Ontario, field work based throughout the Ottawa Area.

Length of Contract

The anticipated start date for this Summer Student position is May 1, 2018 for a total of 16 weeks.

Rate of Pay:

The hourly wage for this position is \$14.00/hour

Offer of employment is conditional upon the Canadian Wildlife Federation receiving funding for the Canada Summer Jobs Program as well as confirmation of credentials.

Interested and qualified applicants are encouraged to submit their resume to conservation@cwf-fcf.org by **March 11th, 2018**. Please quote position title that you are applying for in the subject line of your email. Only those candidates selected for an interview will be contacted.

We thank you for your interest in the Canadian Wildlife Federation.

AODA Statement for Offer of Employment

Canadian Wildlife Federation "CWF" is committed to accessibility and to protecting the human rights of its employees. In support of this aim, CWF has implemented an accommodation process that provides accommodations for employees with disabilities. CWF will accommodate employees with disabilities up to the point of undue hardship.

The accommodation supports available to employees are laid out in our Accommodation Policy. If your acceptance of the terms and conditions of this Offer of Employment necessitates a specific accommodation because of a disability or a medical need, please contact the Human Resources Department. This ensures that the appropriate accommodations are in place before you begin your employment. Do not hesitate to reach out to the Human Resources Department if you require an accommodation related to a disability or a medical condition at any point during your employment with CWF.
