Report of the Independent Auditor on Summary Non-Consolidated Financial Statements

To the Members of the Canadian Wildlife Federation

The accompanying summary non-consolidated financial statements, which comprise the summary non-consolidated balance sheet and the summary non-consolidated statement of net assets as at February 28, 2018, and the summary non-consolidated statement of operations and changes in net assets, and the summary non-consolidated statement of cash flows for the year then ended, are derived from the audited non-consolidated financial statements of the Canadian Wildlife Federation for the year ended February 28, 2018. We expressed an unmodified audit opinion on those non-consolidated financial statements in our report dated June 16, 2018.

The summary non-consolidated financial statements do not contain all the disclosures required by Canadian Accounting Standards for Not-for-Profit Organizations. Reading the summary non-consolidated financial statements, therefore, is not a substitute for reading the audited non-consolidated financial statements of the Canadian Wildlife Federation.

Opinion

In our opinion, the summary non-consolidated financial statements derived from the audited non-consolidated financial statements of the Canadian Wildlife Federation for the year ended February 28, 2018 are a fair summary of those non-consolidated financial statements, on the basis described in the note entitled Basis of Presentation included as part of these summary non-consolidated financial statements.

Other Matter

The Canadian Wildlife Federation has also prepared summary consolidated financial statements for the year ended February 28, 2018 derived from the consolidated financial statements prepared using the permitted consolidation in lieu of non-consolidation with alternative financial statement note disclosure option in accordance with Canadian Accounting Standards for Not-for-Profit Organizations, on which we issued an unmodified opinion in our report dated June 16, 2018.
