Report of the Independent Auditor on Summary Financial Statements

To the Members of the Canadian Wildlife Foundation

The accompanying summary financial statements, which comprise the summary balance sheet and the summary statement of fund balances as at February 28, 2018, and the summary statement of operations and changes in fund balances, and the summary statement of cash flows for the year then ended, are derived from the audited financial statements of the Canadian Wildlife Foundation for the year ended February 28, 2018. We expressed an unmodified audit opinion on those financial statements in our report dated June 13, 2018.

The summary financial statements do not contain all the disclosures required by Canadian Accounting Standards for Not-for-Profit Organizations. Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of The Canadian Wildlife Foundation.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements on the basis described in the note entitled Basis of Presentation included as part of these summary financial statements.

Auditor's Responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".

Opinion

In our opinion, the summary financial statements derived from the audited financial statements of the Canadian Wildlife Foundation for the year ended February 28, 2018 are a fair summary of those financial statements, on the basis described in the note entitled Basis of Presentation included as part of these summary financial statements.
