Dear **Sofia Guest**,

Congratulations on your offer of admission to the Faculty of Agricultural, Life & Environmental Sciences!

I am pleased to personally welcome you to the University of Alberta. We feel privileged that you have chosen to join our Faculty.

This letter marks your first step in developing new friendships, building skills and abilities you can use to make a positive impact on the world, and establishing a fulfilling career path. As Dean of this Faculty, I am focused on the success of our students. From application to convocation and beyond, I am committed to ensuring that you thrive personally and academically.

Your next step is to accept your offer of admission and pay your tuition deposit. A step by step guide to this process is available at uab.ca/accept. To prepare for your transition to University life, I encourage you to take advantage of the opportunities offered both within our Faculty and at the University of Alberta. The many activities we coordinate will allow you to engage with classmates, faculty and staff and make your time with us an even more rewarding and productive experience.

If you have any questions about your admission, program, or student life in the Faculty of Agricultural, Life and Environmental Sciences, please feel welcome to contact us directly at 780-492-4933 or at questions.ales@ualberta.ca.

I look forward to seeing you in September!
