
■ Evaluator Instructions

The student named above is applying to the **Wildlife Research in Northern Manitoba and Canadian Central Arctic Scholarship**, administered by the Canadian Wildlife Foundation. This scholarship supports research that enhances understanding of wildlife, habitat, and ecosystem conservation in **Northern Manitoba and the Canadian Central Arctic**, and that meaningfully **integrates Indigenous perspectives, knowledge, or community engagement**.

Your candid assessment will help the multi-disciplinary selection committee evaluate the applicant. We greatly appreciate your time and expertise in providing this reference.

When completing this form, please consider the following aspects of the applicant and their proposed research:

- Full-time enrollment in a Manitoba-based educational institution
- Alignment of the research with wildlife, habitat, ecosystem, or conservation work in Northern Manitoba and/or the Canadian Central Arctic
- Integration of Indigenous perspectives, knowledge, or community input
- Quality and clarity of the application
- Potential benefit of the research to northern species, habitats, or communities
- Relevant experience and future aspirations
- Academic performance
- Whether the project is part of a larger, funded research program (preference may be given to applicants not part of such programs)
- Whether the student is working toward their first degree (preference may be given to first-degree students)

Please complete the form below **or** submit a one-page letter addressing these considerations.

■ Name, Title and Contact Information of the Reference

Name _____ Title _____

Address _____ City _____

Province/Territory _____ Postal Code _____ Telephone _____

E-mail address _____

■ About the Applicant

Last Name of Applicant _____ First Name of Applicant _____

1. How long and in what capacity have you known the applicant?

2. Please give us your appraisal of the applicant in terms of the qualities listed below. Rate the applicant in comparison with other graduate students whom you have supervised or with peer group.

	Excellent	Good	Average	Don't Know
Commitment to Northern Manitoba and/or the Canadian Central Arctic				
Integration of Indigenous perspectives or knowledge				
Research capacity				
Motivation				
Ability to complete research				

3. In your opinion, how will the applicant's research contribute to:
Understanding of **Northern Manitoba** or the **Canadian Central Arctic**; and/or
Integration of **Indigenous perspectives**, knowledge, or community input related to sustainability, stewardship, monitoring, or management strategies?

4. Additional Comments

Please provide any further information that would be helpful to the committee, including:

- Strengths of the applicant
- Relevant experience, training, or community engagement
- The applicant's commitment to northern regions or Indigenous collaboration
- Any way the applicant may significantly benefit from this scholarship

5. I certify that the information provided in this reference form is true, accurate and complete. I have read and understood the Wildlife Research in Northern Manitoba and Canadian Central Arctic Scholarship Guidelines.
