Range of impact or future impact:

Describe how the nominee prioritizes diversity and inclusion. Does this nominee form a working relationship or partnerships with diverse groups to inspire conservation?

Please describe the purpose of the conservation project and the activities associated with the project. Indicate the date the project started and the date it was completed as well as the cost. (If you are not nominating a project, please indicate N/A)

If you are nominating a youth indicate age at time of nomination, as the nominee must be 18 and under at time of nomination. (If you are not nominating a youth, indicate N/A)

Thank you for the nomination. The award recipients will be notified by the Canadian Wildlife Federation once evaluations by our committee are finalized. Nominations received AFTER the stated deadline will have to be resubmitted the following year. Only the nominees selected as recipients will be contacted. Those not selected can be resubmitted in subsequent years for the same or other categories. We do very much appreciate all the nominations, however, and thank all the nominees and nominators for their invaluable contributions to conservation!

Please submit the nomination form to awards@cwf-fcf.org.
