Joyous JANUARY!

It's a brand new year to help wildlife —we've got this!
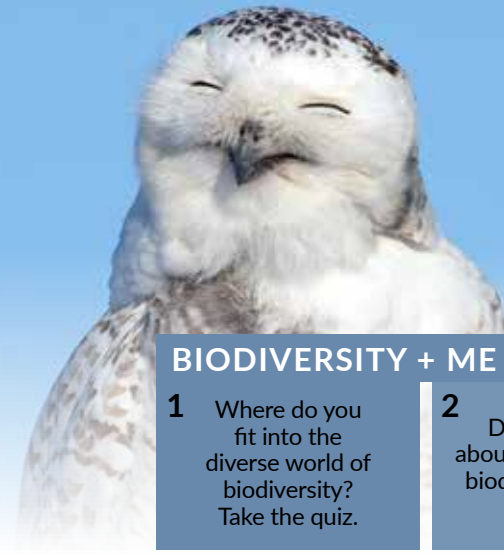

BIODIVERSITY + ME

1 Where do you fit into the diverse world of biodiversity? Take the quiz.

2 Discover more about three different biodiverse habitats in Canada.

3 Watch the Hinterland Who's Who biodiversity video.

PARTICIPATE IN THE CWF PHOTO CLUB

4 See how CWF is working towards improving Canada's biodiversity.

5 Enter your photo based on January's theme: Snowy Moments.

6 Haven't joined our Photo Club yet? Join now!

7 Share today's Photo of the Day on your fav social channel.

8 Check out the winners of the 2025 Reflections of Nature Photo Contest.

9 Submit your wildlife photography.

EXPLORE...

10 Hone your skill — take the wildlife tracks quiz.

...WINTER WILDLIFE

11 Make an observation for iNaturalist Canada when it's below zero.

12 Get outside with these winter activities.

13 Help wildlife survive winter.

14 Live life outside – see how.

15 Understand how wildlife adapt in winter.

16 Request your own "Wildlife in Winter" poster — or download the PDF.

17 Take iNaturalist Canada for a walk today.

18 Decorate your desktop with winter wildlife.

19 Learn more about this winter species: Arctic Fox.

20 Learn what Swift Foxes do in the winter.

21 Learn how Black-capped Chickadees survive winter weather.

22 Understand how climate change is affecting our winters.

DIY

23 Make your home energy-efficient this winter.

24 Make your own bird suet.

25 Organize a local winter bioblitz in your area!

26 Great for teachers: this winter spark kids' curiosity with loose parts play.

MAKE A CONSERVATION AWARDS NOMINATION

27 LAST WEEK to nominate someone you know for the CWF Conservation Awards.

28 Recognize our heroes. Learn about CWF Conservation Awards.

29 See past recipients of the CWF Conservation Awards.
