

# Jump Into **JUNE**

Make a splash for Canada's wildlife!

## SHELL YEAH WE LOVE TURTLES!

1

Give wildlife a brake! Slow down for animals crossing roads.

2

Turtle on the road! Learn how to (safely) help.

3

Read recent results published on reptile road mortality in Canada.

4

Spot a turtle laying eggs? Protect them with a nest protector!

5

I spy a turtle  
a) on the road  
b) nesting  
c) all of the above!  
Upload your sighting.

6

Learn all about Canada's eight native freshwater turtle species.

## DIVE IN TO RIVERS TO OCEANS WEEK

7

Are you ready for Rivers to Oceans Week? Learn more about our fresh and marine ecosystems.

8

Learn how vessels can pose a risk to our marine and freshwater species.

9

Habitat destruction is killing our shorelines. Find three easy things to do for your shoreline in three years.

10

Open pen farmed fish are a source of disease to wild populations whether or not they escape their pens. Learn what you can do.

11

Barriers like dams are major contributors to fish declines. Learn more.

12

Lost fishing gear can create the "swimming dead." Learn how.

13

Urban runoff is a main source of toxic chemicals for urban waterways, harming wildlife. You can help.

14

Stop the Spray! Pesticide residues in lakes and rivers impact aquatic and terrestrial species.

15

Enter your photo based on June's theme: Water.

16

Two more weeks until the Reflections of Nature Photo Contest opens! There's one for kids, too!

17

Share today's Photo of the Day on your fav social channel.

18

3x Your Impact – help shape the next generation of conservationists. Donate now.

19

Adopt an aquatic animal! Your proceeds will help fund conservation efforts.

20

Install and report bat box observations.

## OBSERVE FOR...

## ...WILDLIFE

## PARTICIPATE IN POLLINATOR WEEK

21

Plan to participate in the Great Canadian Bioblitz? Apply for a grant!

22

Make an insect hotel for your pollinator patch.

23

Peak blooming for most native orchids! Find some near you.

24

Request a WILD About Bees poster!

25

Make your garden pollinator-friendly using native plants with different blooming times.

26

Certify your garden as wildlife-friendly.

27

Observe and upload photos of our pollinator heroes!

## #DOMOREFORWILDLIFE

28

Provide food for hummingbirds.

29

Share the #DoMoreForWildlife action calendar with family and friends!

30

Ready, set...go! Download next month's calendar.
