Report of the Independent Auditor on Summary Financial Statements

To the Members of the Canadian Wildlife Foundation

Opinion

The accompanying summary financial statements, which comprise the summary balance sheet as at February 28, 2023, the summary statements of operations, changes in fund balances and cash flows for the year then ended, and related notes, are derived from the audited financial statements of the Canadian Wildlife Foundation for the year ended February 28, 2023.

In our opinion, the summary financial statements are a fair summary of the audited financial statements, on the basis described in the note entitled Basis of Presentation included as part of these summary financial statements.

Summary Financial Statements

The summary financial statements do not contain all the disclosures required by Canadian Accounting Standards for Not-for-Profit Organizations. Reading the summary financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited financial statements and the auditor's report thereon.

The Audited Financial Statements and Our Report Thereon

We expressed an unmodified audit opinion on the audited financial statements in our report dated July 27, 2023.

Management's Responsibility for the Summary Financial Statements

Management is responsible for the preparation of a summary of the audited financial statements on the basis described in the note entitled Basis of Presentation included as part of these summary financial statements.

Auditor's Responsibility

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, "Engagements to Report on Summary Financial Statements".
