

The 2024 results are in!

Between April 26 and April 29, 2024, Canadians recorded observations of wildlife in their cities as part of the global City Nature Challenge. See the results at: iNaturalist.ca/Projets

	TOTAL NUMBER OF OBSERVATIONS	TOTAL NUMBER OF SPECIES 3,940+ rare/endangered/ threatened species	TOTAL NUMBER OF PARTICIPANTS
 Global Results:	2,436,844	65,682+	83,528
 Canadian Results: (40 participating cities)	123,452	5,157	4,780

MOST OBSERVATIONS	MOST OBSERVATIONS PER CAPITA	MOST PARTICIPANTS	MOST PARTICIPANTS PER CAPITA	MOST DIFFERENT SPECIES OBSERVED
Metro Vancouver Regional District 14,066	Cape Breton Regional Municipality 12,434	Montreal 879	Municipality of Kincardine 19	Metro Vancouver Regional District 1,563

Top five species recorded	 1450 observations Mallard <i>Anas platyrhynchos</i>	 1318 observations Canada Goose <i>Branta canadensis</i>	 1155 observations Red-winged Blackbird <i>Agelaius phoeniceus</i>	 1119 observations American Robin <i>Turdus migratorius</i>	 1110 observations Prairie Pasqueflower <i>Pulsatilla nuttalliana</i>
	Top five species at risk recorded*	 407 observations Banded Killifish <i>Fundulus diaphanus</i>	 178 observations Painted Turtle <i>Chrysemys picta</i>	 107 observations Horned Grebe <i>Podiceps auritus</i>	 92 observations Northern Leopard Frog <i>Lithobates pipiens</i>

1673 observations of species at risk were recorded across Canada encompassing **122 species**.
 *Species are at risk in at least some parts of their range and may not be at risk in all of Canada. Visit cosewic.ca for more information.

Thank you to our city organizers, participants and identifiers who made this a success. The City Nature Challenge allowed people to connect to nature and contribute to scientific research at the same time. Keep uploading observations to iNaturalist.ca to provide invaluable information all year long to track biodiversity and influence conservation in Canada. None of this would be possible without the support of people like you!

CITY NATURE CHALLENGE IS ORGANIZED BY
