

Record your wildlife observations and contribute to conservation in Canada

Download your free iNaturalist app. Visit [iNaturalist.ca](https://www.inaturalist.ca).

1

DOWNLOAD

iNaturalist on iPhone or Android or VISIT [iNaturalist.ca](https://www.inaturalist.ca)

2

CREATE/LOGIN

to your account

3

Use the app or digital camera to **SNAP PHOTOS/RECORD SOUNDS** of animals and plants

4

ADD PHOTOS

at [iNaturalist.ca](https://www.inaturalist.ca) and enter details or **ADD IN DETAILS** right away using the app (both will instantly suggest a species ID)

5

SAVE and UPLOAD

your observation (using the app offline will store the observation to upload later)

6

DONE!

Check back to see if the iNaturalist community has identified your observation or commented
