

## ■ Evaluator Instructions

The person whose name appears above is applying for the IMWFEF. This application will be considered by a multi-disciplinary committee, based on inclusion of Indigenous perspectives regarding sustainability and management strategies.

In making the selection for the funding, the selection committee will take into account:

- Full-time enrollment in a Manitoba-based higher educational organization
- Students who are furthering their education in the fields of wildlife species, wildlife habitat, wildlife conservation, the environment or education including Indigenous perspectives
- Quality of the application
- Potential benefit of the research to Northern Manitoba ie Canadian Boreal Forest and/or Arctic environments
- Relevant experience and future aspirations
- Reports of the references
- Academic performance
- First degree students may be prioritized over subsequent degrees
- Students not part of a larger, funded research project may be prioritized over students who are

Your candid assessment of the applicant will assist the committee of the Canadian Wildlife Foundation in its evaluation.
